## Web platform: Terms of use

The **data** of the platform of the CosmoPolitical Cooperative is **stored** in the **European Union**, and follows its **privacy** rules protecting personal data ([General Data Protection Regulation - GDPR](#)). The very fact that a person is a member of the CosmoPolitical Cooperative is a political opinion, and as such protected by the GDPR, Art.9, as a "special category of personal data".

The CosmoPolitical Cooperative commits **never** to sell or transmit the **personal data** of its Members or Observers, nor any data related to their activity on the platform, to **any** third Cooperative, except when requested by the legal authorities under mandate by a judge.

The CosmoPolitical Cooperative does not display any part of the Identity Information (i.e. the given name(s), the family name(s), the date or place of birth) or the e-mail addresses of its members on its platform.

As a member of the CosmoPolitical Cooperative, you understand that you choose your publicly visible **Pseudonym** under your full responsibility, and that that the CosmoPolitical Cooperative cannot be held liable in case this Pseudonym enables third parties to track back to your real identity.

As a member of the CosmoPolitical Cooperative, you publish content on the platform under the conditions that:

- this publication complies with the Intellectual Property Rights of all third parties (specifically: with author's rights of third parties)

- you make your original content (or the content that you lawfully adapt or modify) available to the general public under a [Creative Commons Attribution - Share alike - Non commercial \(BY-NC-SA\) licence](#).

The CosmoPolitical Cooperative is not liable for the content that is published on it. The platform systematically moderates content *ex ante*, and moderates it *ex post* upon notification by users.

You can download these Terms of Use [here](#) and keep them for your records.
